KINGS2

Beach Distance Apartments & Penthouses

Kings project is the epitome of the modern apartment block. An attractive contemporary design focused on modern open-plan living.

The development consists of 3 blocks with 20 apartments spread over three floors, offering very desirable facilities including covered parking and a communal pool.

Every apartment has been designed to have a modern floor plan, utilising the space and light available, creating an easy flow between rooms with an open plan kitchen- diner.

Situated in a prime location and key area in Paphos, a few minutes walk from the main road Tomb of the Kings but set back enough to hear the birds singing and for you to admire the view from your balcony.

You couldn't wish for a better location, close to all amenities, including Lidl, Aspire School, and public buses.

An ideal investment for permanent living or to be used as a holiday home, we would also recommend Kings development for acquiring Cyprus Permanent Residency as well as long-term rental or a holiday rental investment.
