Pearl project has been inspired by the rare gem's cultivation, offering an extraordinary location and our contemporary signature design focused on luxury modern open-plan living.

The development consists of 4 x two-bedroom apartments spread over the first two floors and a Two-bedroom penthouse apartment with a large outdoor veranda on the third floor. Luxury facilities include Smart Technology, covered parking, Storage and a communal pool.

Each apartment designed to have a modern floor plan, utilising space and light available, creating an easy flow between rooms with an open plan kitchen-diner.

Situated in the heart of Paphos, an exclusive area of Universal where you are only a few minutes walk from the centre and have access to a beautiful park and children's play area directly opposite your property. There truly is no better location.
